GRAVE AND GAY.

A Practical Farewell.

Farewell, my dearest—nevermore,
Hand clasped in hand, snall we together
Boam o'er the breezy, broad sea-downs,
All in the merry soft May weather!
But then this thought occurs to me:
'T will save a trifle in shoe leather.

Farewell; for Fate will have it so.
Oh, fondest heart! - Oh, tenderest, nesrest!
The hues of Spring have lost their glowThe leaf—the leaf is at its searest.

I may not wed thee, sweet, just now
Bry goods and things are at their dearest.

Farewell, beloved—thou art free;
A fearful dearth of funds have done it;
I'll keep thee ever in my heart;
I'll put thee in my choicest sonnet;
These will I, love—they lit le cost—

The Fishers of Galilee.

There were seven fishers with nets in their hand and they walked and talked by the sealide sand Yet sweet as the sweet dew fall The words they spake, though they spoke so low, Across the long, dim centuries flow, Ay, know them and love them all even men in the days of old.

And one was gentle, and one was bold, The bold was Peter, the gentle was John, And they all were sad, for the Lord was gone The livelong night, till the moon went out In the drowning waters they beat about;
Beat slow through the fog their way;
And the sails drooped down with wringing water that the sails drooped down with wringing water than the sails drooped down with writing the sails drooped down with writing water than the sails drooped down with which we water that we water that we water the sails dro

The great glad break of day. Cast in your nets on the other side! 'Twas Jesus spesking across the tide;'
And they cast and were dragging had-But that disciple whom Jesus loved ied straightway out, for his heart was move Our Master and Our Lord!"

Then Simon, girding his fisher's coat, Went over the nets and out of the boat-Ay, first of them all was he; Repenting sore the denial past, He feared no longer his heart to cast Down deep in the hungry sea.

In a little ship came after him,
Dragging their nets through the tide;
And when they had gotten close to the land, They saw a fire of coals on the sand, And, doth arms of love so wide, Tis long, and long, and long ago

On the wet, wild sands by the sea.

DOOLAN'S TIGER HUNT.

AN EAST INDIAN STORY. Two of us were wilking dayn the Korai Pass, my friend Fairlegh and I. panied me as far as the first dak bungal don't show the white feather, man! low towards Nagpore, that of Koraie. As we stood on the top on the pass and

Valuable Men in a Commit There are few folks in the world who do not have some criterion by

which to judge the value of humanity. This criterion usually varies according to the prejudices, passions or interests of those who make the estimate. But self-interest is bound to wield the larg est sway, and men make up their minds as relates to another's value by a regard to their own particular ad community. Therefore, in speaking advertize, I am with them or below them. quarrelsome, meddlesome, slanderous in price and quality. I defy competition. or litigious disposition, frequently breaking people's heads or getting his own broken, bringing suits for assault ering his neighbors or stirring up strife and dissension, bringing constantly work and pickings for the lawyersuch a man he imagines is a very valu able man to a community. To a phy sician he is the most valuable man who

medica attention in his family of he or the father of a sickly offspring, he is in the eye of the medical faculty as ness be real or imaginary, the effect will be the same, except, perhaps, that in the latter instance the ease will be more obstinate, of course more profitable to the physician. A man who is always well is little esteemed sidered as a selfish being who neither regards the doctor's saddle-bags nor his pocket, and who his not enough of the man and Christian about him to be reasonably sick, and to give a due share a employment and on cees to those tho must live by them of starve without them. In fict, a man is valu able to a physician jist in proportion

quently makes voluntary contributions of a roast of beef, leg of mutton, ham. some, such orthodox acts hide a multi in their hearts to dispute such tangible proofs of religion. It is so in all crafts and professions. The tailor judges of toes converge or diverge, it is all the same. He is the most valuable man

lon the notion. We may set it down every field, but they seem to have spent guration of a President who was not Mr. Thorpe is a middle aged widow- to the followers of St. Crispin who is the hardest on his boots or shoes. A ly over them. The disasters which can party and its chosen leaders re rich, and after the widow accepted him.

The disasters which can party and its chosen leaders re rich, and after the widow accepted him.

The disasters which can party and its chosen leaders re rich, and after the widow accepted him. value. He is of very little consequece amount of income (or of outgo) of the young counter hopper who feeds change in the shape of kisses and gum have stolen the President from the Republicans. He adds that no power of the Democratic party to make mistakes.

Can prevent the Democrats from elect.

have stolen the President from the Republicans are true, but they are doubtless defined on Tuesday last by 30,000 majority the burglarizing of the White majority the burglarizing of the White majority the burglarizing of the White man who keeps the largest bank as because I consider it right that you should know it. Hannah, what them. And in fact, if their finances them. And in fact, if their finances the fullest larder and the who keeps the fullest larder and the who keeps the fullest larder and the who keeps the fullest larder and the content of the concern. The druggist, he who have the man who keeps the largest bank as bound know it. Hannah, what takes the most nastiness. The grocer, he would you say if I informed you that the who keeps the fullest larder and the concern are true, but they are doubtless majority the burglarizing of the White majority the burglarizing of the White to tell you, but I am going to do it to tell you, but I am going to do it because I consider it right that you should know it. Hannah, what takes the most nastiness. The grocer, he would you say if I informed you that the who keeps the fullest larder and the content of the concern. The druggist, he who have the profits of the concern. The druggist, he who have the profits of the concern. The druggist has the content of the concern the stakes the most nastiness. The grocer, he would you say if I informed you that he who keeps the fullest larder and the concern the stakes and gum drops. The bankers admire most the majority the burglarizing of the White to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to tell you, but I am going to do it to te in the family, and the life insurance into the question. He said that while that. I might as well confess now agent the widow who gives him the Capt C L Randle Randall Next President.
